I understand and agree, that an alternative bus arrangement for babysitting purposes depends on (1) The student may not travel outside the school's attendance area; (2) The site of the babysitter must be on an existing bus route (there will be no re-routing of buses); (3) The student must be at the alternate bus stop in both the morning and afternoon, five (5) days per week; (4) The assignment of students to an alternate bus is contingent on space availability (assignment may be rescinded should space be needed to accommodate new student(s) entering school who live along the bus route).

Further, I agree that if the babysitting facility is closed due to inclement weather and/or emergency situations, I am responsible for transportation to and from school.
