Students Love Summer School

The students at the CASD summer program are continuing their learning this week with more fun and engaging activities with our wonderful teachers. They have also had the opportunity to participate in assemblies and a Farm Fresh Market. The Believe and Achieve Foundation partnered with the Coatesville Area School District to make these experiences possible for our students. They are having a great time and learning so much!

CASD: A Community of Readers

One District, One Book kicked off on July 11th! Every elementary family was given a copy of *The BFG* by Roald Dahl. If your family did not receive a copy of the book, please reach out to your child's home school.

We are asking families to follow the reading schedule, which can be found [here](#). Families are invited to participate in weekly trivia events through Kahoot (www.kahoot.com). These events are noted on the schedule as well. The game pin will be sent out via School Messenger (via text and email) 15 minutes prior to the start of the game. **In addition, families that participate are also invited to a family movie night on August 4th.** We will be viewing Disney's version of *The BFG*. The movie night will be at Rainbow Elementary School and will begin at 7pm. The event will be free for all, and refreshments will be provided. A form will be sent out two weeks prior to the event. Don't forget to sign up!

Reading aloud at home is valuable because it better prepares your child to be an effective reader, and even better, it's fun! Reading professionals recommend reading material out loud that is beyond a child's own reading level. We also believe that you can and should continue reading chapter books with your

older children, even when they are able to read by themselves. We have selected a title that can be followed and understood and enjoyed by younger students but will still captivate and stimulate older children.

If you have any questions regarding the One District, One Book initiative, please reach out to Casandra Jones, Curriculum Supervisor, at jonesc@casdschools.org.

SUMMER LEXIA CHALLENGE

Attention Students!

Log onto Lexia and meet your weekly unit target 6 times and receive a special prize when you return to school. Prizes will be given out at the end of the first week of school.

Summer Reading & Lexia Are Critical

Parents: The research is clear that children who don't read during the summer can lose up to three months of reading progress and that loss has a cumulative, long-term effect (Reading Rockets, 2016). Students should read daily. To encourage reading, the Coatesville Area School District is sponsoring several summer reading initiatives. One of those initiatives is the CASD Summer Lexia Challenge. Students are encouraged to meet their weekly unit target 6 times over the summer to maintain and/or improve their reading skills. Students should login using a laptop or tablet.

How to access Lexia from your non-district issued device:

Students in K-5:

Website: lexiacore5.com

Login: Student ID # (Do not include @casdschools.org)

Password: CASD2020! (case-sensitive)

SUMMER READING

Our students did a phenomenal job this year growing their reading skills! We want everyone to keep reading over the summer and have fun doing it! All the information about Summer Reading Assignments is posted on our website which you can find by clicking the icon pictured below on any school's homepage!

SUMMER MATH

One of the class favorites this year was IXL! Students loved the fun practice of various math skills. IXL is still available over the summer and we want you to keep the learning going! Click the calculator to access exciting summer math activities!

Keep the learning going this summer with IXL!

Your child will have access to IXL this summer through

<https://www.ixl.com/signup/coatesville>

With thousands of skills that match what your child has been learning, as well as insights into their progress, IXL is a great resource to help your child excel.

Here's how to start:

<p>PRACTICE TARGETED SKILLS</p> <p>The Summer Boost skill plans help students review key concepts they've learned and preview topics to prepare them for fall.</p>	<p>EMPOWER INDEPENDENT LEARNING</p> <p>IXL's instructional resources (video tutorials, lessons, and in-the-moment support) empower students to learn on their own. Plus, their Recommendations wall is full of skills handpicked just for them!</p>	<p>CHECK FOR PROGRESS</p> <p>Use IXL Analytics to check on your child's progress during the summer. They even receive certificates whenever they reach a milestone!</p>
