

## Coatesville Area School District Superintendent Search Update

**October 25, 2022**

Dear Coatesville Area School District Parents, Students, Staff and Community:

The Search for the next superintendent of the Coatesville Area School District (CASD) is off to a good start. We are pleased to announce that the district received 30 applications for the position. The Board is in the process of screening applicants, and interviews will begin in just a couple of weeks.

We anticipate the interview phase to be over towards the end of November/beginning of December.

We thank everyone who has participated in one of the four focus groups and who have completed the stakeholder survey. It is from your input that the candidate criteria and interview questions have been developed.

Thank you for your continued support as we work to select an outstanding educational leader who will continue CASD's commitment to excellence.

The Board will continue to provide updates; however, if you have additional questions, we encourage you to contact Board President Robert Fisher at [fisherr@casdschools.org](mailto:fisherr@casdschools.org).

Sincerely,

Board of School Directors  
Coatesville Area School District
