Happy National Teacher Appreciation Week to all our outstanding teachers in the Coatesville Area School District!

This past year has been unprecedented, and your sacrifices, hard work and dedication have not gone unnoticed by our students, their families, our school community, the administration, and our Board of School Directors.

Today, on the first day of Teacher Appreciation Week, I wish to acknowledge the outstanding contributions you make to our classrooms. The magic you make happen on a daily basis requires tremendous effort and dedication. How do you do this? You do so by forming strong bonds with students and their families. You make students want to learn more about what you teach, you make things easy to understand, and you are a knowing and caring adult in their lives and someone whom they can trust. You do so through collaboration with colleagues to make sure we meet the needs of our students. Your impact on the lives of our students is clear.

Thank you for your commitment to giving the best of yourselves to ensure each of our 5,300 students in every one of our schools receives the high-quality educational experiences, resources, and support they deserve.

You belong to one of the most noble vocations, and I could not be prouder to work alongside you. I honor your commitment, professionalism, and accomplishments.

On behalf of our students and their families, as well as the Coatesville Area School District leadership, congratulations and thank you!

Sincerely,

Tomás Hanna

Superintendent
