Thorndale, PA 19372

“Excellence in Education”

Congratulations on School Principals’ Day!

I am honored to serve with you as you lead our schools! You have dedicated yourselves to lead our schools to ensure that every student is prepared to be successful. This is without a doubt one of the most challenging yet most rewarding responsibilities in public education – and you are doing so during unprecedented times. Your dedication and accomplishment have not gone unnoticed. Thank you!

You support, coach and guide dedicated teachers and staff so that our schools are places of joy where students can learn, educators can teach, and families can trust that we have the best interests of their children at the center. In short, you are charged with making sure our schools provide a productive, safe and welcoming learning environment for our students. Thank you!

Whether you lead an elementary, middle, or high school, you demonstrate leadership on a daily basis by being visible and approachable to students, their families and the broader community, and you are role models who focus on what is best for our students. You do so by guiding the instructional program and supports necessary so that academic success is possible and expected for every student. Thank you!

Please know that the Coatesville Area School District administrative team is keenly aware that without your dedication, and stalwart leadership, our schools and our school system would not be able to meet the mandate of ensuring our students receive the education they deserve. Thank you!

During this time in which we acknowledge your role and thank you for everything you do, the future is bright in CASD. We are hopeful that we will soon have COVID-19 in our rearview mirror and be in a position to engage in incredibly important work to continue to meet the diverse need of all our students.

Thank you for being a critical part of the CASD team!

In Unity,

Tomás
