

Dear Parents,

I'm writing to let you know I'm hosting an online [CASD Return to School Superintendent Q&A Monday, March 1, 7 - 8 p.m.](#) As you are working through your decision making about whether to select an in-person option for your child for the duration of the school year or choose our fully virtual format, we want to provide another opportunity to answer parent questions.

This session will deal solely with our plans to begin to offer additional in-person learning, in accordance with guidance from the Chester County Health Department. A number of our district-level administrators will be answering questions and providing information.

Parents are asked to complete a Commitment Form with their choice for each child (click [HERE](#) to access the form) by the end of the day on Tuesday, March 2, so that we can plan accordingly. We've developed a list of [Frequently Asked Questions](#) to help you make your decision.

Please email your questions for this session to: casdreturns@casdschools.org and type "**Monday Night Question**" in the subject heading of your email. We will also be taking questions live during the session at this email address. The session will be recorded.

Click [HERE](#) Monday night at 7 p.m. to view/participate in the Q&A.

Thank you for your time.

Tomas Hanna, Superintendent
