Coatesville Area Senior High School Parents/Staff:

The Coatesville Area Senior High School (Grades 11 – 12) is secured by police and students are not in danger at this time after a fight between two students around 7:30 this morning. I'm extremely sorry to report that at least one of the students was stabbed and was transported to the hospital.

We are about to begin the process of dismissing our high school students to go home, as CASH is now an active crime scene, and we need to allow our police departments the time and space to complete their investigation while ensuring there are no further disruptions today.

Students who take the bus will be dismissed as soon as our elementary buses complete their runs and can circle back – beginning around 9:30 a.m. Parents who want to pick up their children must come to the high school office beginning at 11:30 a.m. to sign them out. We are interviewing students as they are being dismissed and appreciate your patience as we work through this. Coatesville Intermediate High School will remain in session.

Clearly, this is an extremely upsetting incident. We will communicate throughout the day as we learn more and will be sure we follow up with counseling for our students and staff.

Thank you,

Dr. Rick Dunlap, Substitute Superintendent
