### **Coatesville Area School Board Approves New Labor Contract with Teacher's Union**

The Coatesville Area School Board of Directors has approved a new one-year contract with its teachers union, the Coatesville Area Teachers Association (CATA.) The contract comes after several months of negotiations.

The new contract is retroactive to July 1, 2021 and runs through June 30, 2022. It includes a new salary scale with, on average, 2.25% raises to help the district attract and retain highly qualified teachers in a very competitive market.

“We are extremely pleased to have reached a contract agreement that we feel is fair and balanced, and respects the good work of our talented teaching staff,” said Rob Fisher, Board President.
