Dear CASD Families and Staff,

We are all very excited about the Super Bowl and fully expect an Eagles victory. We plan to open on time and in person on Monday, February 13. However, we are anticipating some transportation challenges with driver shortages.

Please be aware that some buses may run later than scheduled. If you can arrange for alternate transportation for your student, please feel free to do so. Messages regarding late transportation will be communicated via email and text message on Monday at 6:00 am.

Looking ahead, we may have other days (possible parade day!) next week where we may have potential shortages of both drivers and staff. We are also tentatively planning that next Friday, our snow makeup day, may be a Flexible Instruction Day as we already know that numerous staff members have scheduled time off that day. To date we have used one Flexible Instructional Day and have three remaining. Once those days are used, we will have to make up days for any future days missed. This means that we will have to use existing make up days and/or add days on to the end of the year.

Sincerely,

Richard F. Dunlap, Jr., Ed. D.
