February 14, 2023

Good afternoon parents and guardians,

I am writing to inform you that due to staff absences the Coatesville Area School District will be using a Flexible Instruction Day (FID) on Friday, February 17, 2023. This will be the second of five FID days that the district is able to use for the 2022-2023 school year.

All students will follow their daily schedule and access their classes through their teacher's Canvas page. Students should bring their Chromebooks home on Thursday, February 16. All computers should be brought back to school on Tuesday, February 21 for in person instruction.

Since some students have Chromebooks in repair, hard copies of assignments will be provided to all students. Students are also allowed to sign on to teacher Canvas pages using personal devices at home.

Sincerely,

Richard F. Dunlap, Jr., Ed. D.
Interim Superintendent
Coatesville Area School District
