Family Roller Skating
- 19 Walk-a-thon
- 22 Walk-a-thon raindate
- 29 Scholastic Book Fair  
10/29—11/5

### A MESSAGE FROM OUR PRINCIPAL

Dear Reeceville families,

As Principal of Reeceville Elementary School, I would like to welcome all of our new and returning students to Reeceville. The summer has been a very busy and productive one for the teachers and staff.

There is much research on the importance of a child having breakfast to be successful in school. If your child has missed breakfast, please send them a \$1.00 needed to partake in our delicious breakfast choices.

Communication between all parties involved in the education process will be a key element to the success of Reeceville's students. It is my intention to keep parents informed of all Reeceville activities, and I encourage families and community members to take an active role in the learning process of Coatesville's children.

The upcoming school year will be full of exciting learning experiences and social activities. I look forward to providing Reeceville's students with the support necessary to help them accomplish their goals. I have high expectations for Reeceville Elementary School and know that all students will achieve success.

Reeceville will be a safe, caring, positive atmosphere that enables students to focus on learning. Specifically, there are four (4) big school-wide expectations that I have for each child, which include: being responsible, being respectful, being safe, and being kind. So far, the students have been embracing these expectations and impressing me every day!

Sincerely,

*Catherine Van Vooren*

### ACT 24

There will be many opportunities during the school year for parents to become a part of our school activities. All visitors to the school must report directly to the office to sign in and obtain a visitors badge. In addition, a PDE-6004 Form (Arrest/Conviction Report and Certification Form) must be completed before having lunch with students, volunteering, going on field trips, entering classrooms on engaging in activities on our school grounds. This form can be obtained in our office and will remain on file in the office. You, the parent, play a key role in the education of your child. Your words of encouragement, your interest in your child's work, and your presence at school activities are vital to your child's success. Your involvement will show your child that you value his or her education.

## ARRIVAL AND DISMISSAL PROCEDURE

The elementary school day begins at **8:40 AM** and ends at **2:55 PM**. Parents are reminded that **students may not be dropped off at school prior to 8:25 AM** as there is no one to supervise them. Students being picked up at the end of the day need to have a note indicating such. **All early dismissals should be done prior to 2:30 pm.** In the absence of a note, students will be sent home using their regular dismissal procedures. Parents should bring photo identification when picking up their child from school. Please limit phone calls requesting a change in dismissal to **emergency situations only**. Parents are encouraged, as much as possible, to schedule student appointments for after school hours. If a student must leave early, please send in a note with the child in the morning. This is very helpful for both the student and the teacher to prepare for early dismissal.

### **RECESS BEFORE LUNCH**

Students will go to recess **before** lunch. When recess is scheduled before lunch, children have the opportunity to run off their excess energy before they eat, which means fewer stomachaches, nausea, etc. Children tend to line up more quickly at the end of recess because they are going to eat—not take a math test; children return to their classroom more settled and ready to resume learning. Their concerns are now geared toward learning. Hand sanitizer stations are located in the cafeteria for students to use when coming in from recess.

### **Field Trip Information**

Please be advised that all students who would like to participate in field trips **MUST** have insurance. Student Accident Insurance may be purchase through a plan offered by the Coatesville Area School District.

The form can be found on the district website, select **RESOURCES**, then **PARENT/COMMUNITY RESOURCES**, and you will see the **STUDENT ACCIDENT BROCHURE** listed under **FORMS**.

<http://www.coatesville.k12.pa.us/images/files/Student Accident Insurance Brochure.pdf>

### **\*\*\*Friendly reminders\*\*\***

- **Return all paperwork that was in the folder sent home with your child on the first day of school as soon as possible.**
- **If you have moved, you must stop by the office to complete a change of address form. You will also need to bring with you proof of address (i.e. copy of lease, electric bill, etc.).**
- **If you are withdrawing your child, you must come to the office and complete a withdrawal form.**

## Counselor's Corner

Welcome Back! I hope that everyone had a safe and relaxing summer! My name is Kathy Doherty and I am the guidance counselor here at Reeceville Elementary School. I am very excited for this upcoming school year! As the school counselor, I provide many different services. I will be teaching developmental guidance lessons to each class again this year. I will be coming into each class to introduce myself this month and then will be teaching a several lessons to each class throughout the year. Some topics that may be covered include introduction to feelings and coping strategies, friendship skills, problem solving, respect, bullying, and appreciating differences. In addition to being in the classroom, I participate in parent and teacher consultations, conduct individual and group counseling sessions, perform gifted screenings, and partake in instructional support and special education meetings. I also see any children individually on an add need basis. Please feel free to contact me with any questions or concerns. I can be contacted by phone at 610-383-3785 and by email at [dohertyk@coatesville.k12.pa.us](mailto:dohertyk@coatesville.k12.pa.us). I am looking forward to this year as well as working with both you and your child.

Kathy Doherty  
School Counselor

## MUSIC NOTES

Mr. Brackin and Mrs. Bernard have been busy recruiting Band and String players in the fourth and fifth grades. Instruction is open to any fourth or fifth grade student on woodwind, brass wind or string instruments. If your child is interested, please make sure you fill out the Instrumental Music Interest Survey form given to your child, and have them return it to Mr. Brackin or Mrs. Bernard by Friday, September 13th.

Thank you,

Mr. Brackin, Band — Mrs. Bernard, Music

# Kindergarten News

We have been very busy in Kindergarten making new friends, learning about Reeceville's rules, and taking in all the information about the cafeteria, bus numbers, "specials" with Miss Sansalone, Mrs. Bernard, Ms. Heller and Mr. Jaskot, not to mention how to walk in the hallways! Wow! Oh yeah, did we mention academics? Language Arts, Math, Kid Writing, Science; all in a days work. We are starting to settle into the routine.

"All About Me" is our first theme in Language Arts...have you heard the Alphabet song or Mary Wore Her Red Dress bing sung at home! We are learning positional words in Math and Kid writing is underway!

We want to welcome our new kindergarten teacher, Miss Gunther and Mrs. Puma's student teacher from West Chester University, Miss Cooper. We are happy they are here!

Thank you parents for all of your help, especially at lunch time in the cafeteria. Keep practicing those pin numbers. We are looking forward to a fantastic school year!

# First Grade News

We are off to a good start in first grade! Thank you for returning the myriad of paper work so promptly. Don't worry...we will constantly send things home to read, fill out and return!

First graders have spent the first few days of school reviewing and practicing our school rules. They are posted in our classroom and around the building. We encourage parents to take a few minutes to review appropriate school behavior at home.

There are many things we need your help with:

- Practice lunch pin numbers at home
- Inform us of a new phone number, change of address, emergency contact, anything that would effect your student's daily routine
- Send all money in a sealed envelope with your child's name, teacher's name, and what the money is for.
- Send in a written excuse for your child's absence. A written excuse is required even if you have spoken to someone at school about the absence.
- Send a note if your child will not be riding the bus home.

Thank you for your help with all the above! We need to work together to make this year a successful year in first grade!

# Second Grade News

We're off to a wonderful beginning of a brand new school year. We hope everyone had a great summer! We welcome Mrs. Grabowski and Miss Cummens to our second grade team this year. Mrs. Graowski will be with us until Mrs. Brown returns in November. Miss Cummens is in for Mr. Draper until January. Mrs. Cloud and Mrs. Bublar are very excited to have them join all of the fun in second grade.

The children have been working on identify the main idea and supporting details from nonfiction texts. We are reading "Dogs in Language Arts." We are also learning a lot of new vocabulary words. Next week we will begin reading "Henry and Mudge."

In Math, we are reviewing addition and subtraction and practicing our math facts. It is important for children to practice their facts nightly. They will take a timed facts test once per month. We are also working on place value. In a few weeks we will begin to work with money. You can start early by asking your child to count groups of coins. Let them calculate the value of the change you receive from the store.

The children have been very involved with their getting to know you activities. Please take a look at their hard work in the primary hallway and second grade classrooms. The second grade team believes that when parents and teachers work together, it makes for a successful school year. We want to thank all of the parents who attended Book to School Night. It was great to meet all of you!

## Third Grade News

Where on earth did the summer go??? It's hard to believe that it's already a new school year, but third grade is off to a great start! As you heard at Back-to-School Night, third grade is a year of big changes for our students. This is the year when your children really begin to become 'independent learners' and we encourage you to help them make that transition. In Math we have actual textbooks for the first time. We are busy with lessons in data collection and graphs. We will then work on place value and comparing numbers into the 100 thousands. In Language Arts we are continuing to use the Harcourt series. We are beginning our Social Studies unit map skills. Please encourage your child to develop good homework habits now as they will help to carry them throughout their school years. Ask each day if your child brought home his/her "Student Planner" with the homework assignments written in it. In addition, please make it a habit to check their "Friday Folder" each weekend and return to school anything that needs to come back.

Due to the fact that the classroom temperature can fluctuate throughout the day, it might be a good idea to send in a sweater that your child can keep in his/her cubby in case they get chilly in class. Please note that it still has to be 'uniform dress' (i.e. either red, black or white, and not a hoodie).

We look forward to an exciting and successful year with your child. Look for more information and news to come home regarding the many exciting things that we are doing in 3<sup>rd</sup> grade.

## Fourth Grade News

It has been an exciting beginning of the school year as we continue to welcome students and their families to 4<sup>th</sup> grade at Reeceville. We also would like to welcome Mr. Dainty who is joining the Fourth grade team from Kings Highway. We are lucky to have him here at Reeceville!!

Math is off to a great start, as we tackle the concept of data analysis and constructing graphs. Our goal this year is to achieve 100 basic facts in all four operations. We will work towards completing 100 addition and subtraction facts in four minutes and multiplication and division in five minutes. We also hope to achieve our Fearsome Fifteen facts to be completed in a mere 40 seconds.

Language Arts has introduced us to many new Robust vocabulary words such as averted, legendary, fluke, and muttered. We are learning about sentences and sentence fragments, as well as sentence types. We already can identify both declarative and interrogative sentences.

Social Studies and Science this year will be more specialized as we change teachers. Mr. Dainty will be our Science specialist, Mr. Steiner will teach Social Studies, and Mrs. Bendowski will integrate literature with Science and Social Studies through a variety of resources. Our Science is currently focusing on earth materials, and Social Studies will concentrate on our beautiful state of Pennsylvania.

Throughout this school year we will be preparing daily for our PSSA state exams, and we are currently reviewing the 12 Powerful Words. We feel confident that when the time comes each one of us will be prepared to reach our top goals of advanced and proficient. We feel sure 4<sup>th</sup> grade will be our best year yet.

## Fifth Grade News

Reeceville's 5<sup>th</sup> graders have had a busy start to their final year of Elementary school. We have taken the GRADE test and are now finishing up the MAP tests in Math and Reading. In Science, students will be working in the Mixtures and Solutions unit. Social Studies will focus on the election process in the U.S., with a concentration on the upcoming presidential election. In Math, 5<sup>th</sup> grade will start the year learning about Geometry. By now, parents should have seen the first Friday Folder with the weekly checklist. Also, be on the lookout for the Student Agenda provided for students to copy their daily assignments and upcoming tests and quizzes. Reading Logs have also started, make sure you are reading books for your Accelerated Reader requirements!

*Do you have any  
uniforms that  
you are not using?*

If so, there will be a donation box in the Nurses Office. Please make sure the clothing is washed before donating. As always thank you for your continued support.

**Your PTA**

Picture Day is scheduled for Tuesday, October 22, 2012. Uniforms are to be worn for these pictures.

Make sure you ride the same bus to and from the same location each day.

### *Attendance—A Key to Your Child's Success in School*

Research shows that children who are in school most of the time do better on state tests. Studies also show that kids who are absent more often score lower.

Being late for school hurts a child's learning, too. A student who is 10 minutes late every day will miss 30 hours of instruction during the school year.

Children can copy notes or make up an assignment, but they can never get back what's most important; the discussions, the questions, the explanations by the teacher and the thinking that makes learning come alive.

Our child's success in school depends on having a solid educational background on that can only be gained through regular school attendance.

Besides, we like to see all the smiling faces each day!

### *Bus Changes.....*

Students must ride the same bus to and from the same location each school day. A bus assignment was given to your child at the beginning of the school year. Please make sure they know it and use it.

Per our student handbook, children are not permitted to ride home with a friend.

## Lost and Found

Mark your child's belongings with his/her name so that when an item is found it may be returned. Each year many items accumulate in the cafeteria and need to be disposed of at the end of the year. Don't forget to mark all jackets, hats, sweaters, lunch boxes and school bags.

## Code of Conduct

Copies of the School District Code of Conduct are sent home at the beginning of the year. Please review this important document with your child/ren. It clearly explain the district expectations for good behavior.

## School Hours

The elementary school day begins at 8:40 a.m. and ends at 2:55 p.m. Students are not to be dropped off at the school before 8:25 a.m.

Appointments for doctors, dentist, etc. should be scheduled for after school hours. Thank you for following these guidelines.

## Uniform Policy

### Uniform Bottom Wear

- Color Choices: black or Tan Khaki bottoms (must be plain with no decoration or labels/ Logos)
- Boys may wear long pants or shorts.
- Girls may wear long pants, shorts, Capri pants, jumpers, skirts, skorts, dresses
- Bottom wear should be appropriately sized, worn at the waistline and must be the appropriate length.
- Khaki or black cargo pants may be worn, however, those with camouflage may not.

### Uniform Shirts

- Color Choices: Red, white, Black (or a variation thereof) no other colors are acceptable
- Shirts must have a collar (polo size)
- Shirts should be appropriately sized for neat appearance and neatly tucked.

### Other Shirts

- No changes have been made to the shoe policy.

### Socks/Leggings

- Socks and leggings (under jumpers, skirts, skorts or dresses) must be a solid color: white, red, or black **if they are visible**

## MESSAGE FROM THE LUNCH PROGRAM...

Parents, please remind your child if they have lunch or snack money to please bring it down in the morning. No money will be accepted during the lunch periods. Please keep our child's account p to date. We will send home a notice when they owe money. Notices will come home weekly. Parents of kindergarteners and first graders please practice their pin numbers at home. This is an important part of providing a smooth transition of getting their lunches and getting to their tables.

Student in grades 2nd through 5th are permitted to buy a snack as long as they have money in their account.

Also, parents please remember to fill out the free and reduce forms. You have until September 30, 2012 before your status changes.

### From the Nurse's Office:

Just a friendly reminder, for parents of our new students, the nurse **MUST** have a copy of your child's most recent physical and dental examinations. Also, documentation of required immunizations **MUST** be sent ion to the nurse as well.

At this time of the year many notice and forms are sent home. One of the most important is the **EMERGENCY CARD**. Please fill this out and return it immediately so, that in the event of an emergency, the proper action can be taken. Also, if there are any changes in phone numbers and/or contacts, as the year progresses, please inform the school as soon as possible .

Any prescribed or "over-the-counter" medication to be administered at school must be accompanied by a signed consent form from the parent and a doctor's order. The medication must be sent in it's original container/box. The appropriate forms are in the nurse's office.

Flu Shots will be given Oct. 1st, please make sure to return your

Flu Shots will be given Oct. 1st, please make sure to return your

### Office Notes:

If you will be sending in notes or money for your child, please make sure it is in an envelope with the student's first and last name, room number and what it is for. (i.e. lunch money, field trip, etc.)

All student s being early dismissed must be signed out in the office. Please pick up all early dismissed students before 2:30 p.m. The last half hour of the day is a very busy time in the office and in the classrooms.

### **The Reds (and Greens) of Summer Recipe**

- 2 cups watermelon cut into small cubes
- 1 cup tomatoes cut into small chunks
- 1 cup cucumber cut into small chunks
- 1 large avocado cut into small chunks
- 2 tablespoons chopped mixed fresh herbs, in any combination: basil, mint, cilantro
- 1 tablespoons olive oil
- 1 tablespoon red wine vinegar
- Dash of lemon juice

salt and freshly ground black pepper to taste

In a bowl, combine the tomatoes, cucumber, watermelon, avocado, and herbs. In another small bowl, whisk together the olive oil, vinegar, lemon juice, and salt and pepper to taste. Pour over the tomato mixture and toss to coat evenly. Taste and adjust the seasoning before serving.

**Try this out and let me know if you like it!!**

**Miss Sansalone**

## *News From the Reading Department*

Greetings from the Reading Department. We hope that everyone is rested and ready to begin a new school year. We are looking forward to working with you and your children over the next ten months.

*Summer Reading Superstars* – Everyone here at Reeceville would like to congratulate the students who completed their Summer Reading Logs! This year we had 120 Star Readers! Each one of these students handed in a completed Summer Reading Log and will be awarded a Certificate of Recognition from the Reading Department. They will also be treated to an Ice Cream Social at the end of the month. We are very proud of the effort that our boys and girls put forth this summer. If you get a chance, check out our Star Readers bulletin board by the library. Each summer reader has a star on the board with their name on it. They lit up the sky! Well done boys and girls!

*Reeceville's First Summer Reading Book Club* – This summer Reeceville teachers hosted our first Summer Reading Book Club. Students read a new book each week and then met on Wednesdays to discuss their book and create book related crafts. Games and snacks were also part of the fun! We all hope that this club becomes another Reeceville tradition! Congratulations to all of the students who participated.

*Kindergarten Kid Writing Volunteers Needed* – We are looking for help as we implement a writing process called "Kid Writing." It involves working with Kindergarten students in small groups to provide individual support with their writing. This volunteer opportunity requires just 30 minutes of your time per week. This is one of our most popular volunteer opportunities and is open to any adult. Our Kid Writing Volunteers often talk about how exciting it was to see the children's writing improve over the year. If you are interested in learning more about Kid Writing please contact Kate Thompson at 610-383-3785 extension 27533.

# Art to Remember

Our Mission: Support & Promote Art Education

## Attention Parents!

Our school will be participating in an Art to Remember program.

In a few weeks you will receive an order envelope containing:

1. Your child's artwork.
2. A letter explaining the program and product prices and a brochure so you can order keepsake products that feature your child's artwork.

### *Your child's artwork*

*can be featured on over 30  
wonderful gifts and keepsakes!*

Art to Remember's affordable keepsakes make perfect gifts for any occasion and many of the products are under \$15!

*Don't forget about your family and friends for these gift giving occasions!*

Grandparent's Day  
Halloween  
Thanksgiving Day  
Hanukkah

Christmas  
Valentine's Day  
Easter  
Mother's Day

Father's Day  
Birthdays  
Graduations  
Thank you  
notes

*Thank you for supporting our school and the arts!*

Please notify your child's teacher if you do not wish for your child to participate in this program.

**GOOD MORNINGS.**

A child might go 14 hours  
between dinner and breakfast.  
And when kids "break" their  
long "fast" with a healthy  
morning meal, they pay better  
attention in school. Behave  
better. Participate more. Perform better in the  
classroom. And even score higher on standardized  
tests. Make every morning good with breakfast!

**EAT BETTER. PLAY HARDER. LIVE HEALTHIER. LEARN EASIER.**  
**WELLNESS IS A WAY OF LIFE!**

**Weekends  
Nights**

Looking for a job with a  
family feel *and* family-  
friendly hours?
