There is a puzzle
inside each rhyme.
Can you tell which
sense is which when it
is time?

I am not rough. I
cannot pose,
but you can sense me
with your nose.
What am I?

I am not fat. I am not thin.
You know me when I'm next to your skin.
What am I?

I can be used to measure size.
You can sense me with your eyes.
What am I?

I can be hot, like egg
fu yung.
To sense me, you must
use your tongue.
What am I?

You notice when I give
three cheers.
You sense me when
you use your ears.
What am I?

Did you know the answers?

1. smell
