

Lead nings Get Home

Name: _____

Dear Families,

This homework is designed to give your child fun opportunities to practice some of their school skills at home with you. Thank you for helping them learn! Have fun!

<p>Memorization</p> <p>Do you know your address? Write it down on a small sign and hang it up where you'll see it. See how fast you can memorize it!</p>	<p>Get Moving</p> <p>Play the freeze dance game to get moving and practice your listening skills. Play some fun music and then have someone pause it. When the music stops, FREEZE! Then start the music and dance some more!</p>	<p>Listening</p> <p>Listen to someone reading a story. When they finish, see if you can tell who the main characters were. Which character was your favorite and why?</p>	<p>Gratitude</p> <p>Call someone special on the phone and tell them you love them. Ask how they are doing. Thank them for being an important part of your life.</p>			
<p>Reading</p> <p>See if you can find a book that's older than you (it was written before you were born). Read it!</p>	<p>Kindness</p> <p>Give every person in your family a compliment and watch how it makes them feel.</p>	<p>Shape Search</p> <p>Search around your home and see if you can find 10 things shaped like each of these: triangle and square?</p>	<p>Creating</p> <p>Get a piece of paper and roll it into a tube to create a special tool to look through! What amazing things can you spy through your creation?</p>			
<p>Sight Words</p> <p>Search the internet for any Jack Hartmann Sight Word song. Watch and sing along. If you like it, find some more! There are a bunch of them.</p>	<p>Writing</p> <p>Make a list of all the people who are important to you. Think about people from your family, school, neighborhood, and more! How many names can you write?</p>	<p>Responsibility</p> <p>Choose a job to do around your home. Be a helper and do it for three days in a row. Keep track here:</p> <table border="1" data-bbox="1161 682 1226 850"> <tr> <td>1</td> <td>2</td> <td>3</td> </tr> </table>	1	2	3	<p>Counting</p> <p>Can you count by 5s? How high can you go?</p>
1	2	3				
<p>Science & Nature</p> <p>Look out the window for 5 minutes or get an adult and go on a walk. Count how many birds you see.</p>	<p>Let's Chat</p> <p>Sit with someone from your family & ask each other these questions: Would you rather...</p> <ul style="list-style-type: none"> live in outer space or under the sea? be able to shoot spaghetti out of your fingers or sneeze meatballs out of your nose? 	<p>Reading</p> <p>Read a book with an adult and tell them what the author and illustrator's jobs are.</p>	<p>Music</p> <p>Find some items from around your home to turn into musical instruments. Make your own song or play some music and keep the beat with your new instruments. Put everything away when you're done.</p>
