☺ Please leave these pages in this section of the Home and School folder! We will be referencing these papers throughout the year. Please make sure your child does not leave home (or school) without this folder each day! This folder is checked each morning at attendance check-in for notes, homework, money, and/or any other communications to the teacher, PTO, cafeteria, or office. Please do not give your child things to hand to me! When contacting me, and please do, remember using ClassDojo is the fastest way to get your message to me and for me to get a response back to you. If I do not respond within 24 hours, I did not receive your message. I look forward to a great year working with you and your child.
