

Kindergarten Choice Lessons for the week of April 27, 2020

Pick three in a row to complete each day!

<p>READING</p> <p>Click on the story to listen!</p>  <p>https://youtu.be/MHRDM5nb8Ks</p>	<p>PHONICS</p> <p>Make a list of words that rhyme with: bug, bee, root, seed, and leaf.</p>	<p>MATH</p> <p>Go on a nature walk near your house or go out to your backyard. How many plants can you find? Count and compare which has the most.</p>
<p>WRITING</p> <p>Use a post-it note or a piece of paper to write about the parts of a plant. Use these ideas to help: roots, stem, leaf, petals.</p>	<p>ART/SCIENCE</p> <p>On a piece of paper draw or cut out simple shapes to create a flower.</p> 	<p>WRITING</p> <p>Draw a picture to show the 4 things a plant needs. Add a label for each one, and stretch out your words.</p>
<p>MATH/HEALTH</p> <p>Look outside or in your refrigerator. How many plants or vegetables do you see? Make a bar graph to record and compare your data.</p>	<p>READING</p> <p>Click on the story to listen, then talk with a grown up about the sequence - what happened first? next? last?</p>  <p>https://youtu.be/9KsmaZP04uw</p>	<p>WRITING</p> <p>Write the four parts of a plant. Draw a picture and add labels.</p>  <p>Please submit your picture on your ClassDojo portfolio by Friday!</p>
