

**STEM Class**  
**Mr. Riker**  
**PBIS Expectations**

- S**afety:
- Glue guns are hot. Take my word for it. Keep glue guns pointed at the work, not at yourself or other students.
  - Scissors are sharp. Once again use only as intended on the work materials. When walking with scissors, carry with your hand wrapped around the scissor blades (in a closed position). Do not run with scissors.
  - Watch for floor openings. Do not stuff trash around the floor outlets.
- H**onesty:
- Own up to your mistakes.
  - Let the teacher know if something gets damaged or destroyed.
- A**ccountability:
- Come to class with an open mind prepared to work
  - Bring your own writing materials with you.
  - Keep your table area clean
  - Put materials and projects away in assigned areas at the end of the class.
  - Pick up any trash on the floor or on your table and dispose of properly
  - Wipe up sink area if needed.
- R**espect:
- Listen to each other.
  - Encourage others to speak up with their ideas
  - Talk only when someone else isn't talking
  - Return to your seat and become quiet when instructed to do so.
- K**indness:
- Help your classmates
  - Along with respect, listening is a kindness.
  - All students have a right to be heard – Value other's opinions.

By adhering to these expectations, **EVERYONE** can be a

***SHARK!***
